THE AHMED DEEDAT ANNUAL LECTURE SERIES 2024
With Special Guest Speaker
Ustaadh Hamza tzortzis

**Muslims Businessman's
"Facilitating Dawah" Breakfast**

Hamza Andreas Tzortzis is a prominent figure in the Muslim community, known worldwide for his expertise in the field of Islamic apologetics and philosophy. With a background in biochemistry and a keen interest in Islamic thought, Hamza brings a unique perspective to discussions surrounding faith and reason. His articulate and engaging speaking style, combined with a vast knowledge of Quranic exegesis and philosophical discourse, makes him a sought-after speaker. As a successful Muslim businessman himself, Hamza embodies the integration of faith and professional life, making him especially relevant to Muslim entrepreneurs and businessmen looking to navigate the modern business world while staying true to their beliefs.

Join us for breakfast with our esteemed guest.
