IPCI Dawah Outreach in Phoenix

Reflection on the Successful Dawah Outreach Program by Phoenix Care Foundation & IPCI

Alhamdulillah, by the grace of Allah (SWT), the Phoenix Care Foundation, in collaboration with the Islamic Propagation Centre International (IPCI), successfully organized a transformative Dawah Outreach Program on 3rd May 2025 at our offices.

This initiative provided our non-Muslim recipients with a deeper understanding of Islam, sparking a heartfelt eagerness to learn more about the Deen. The event fostered meaningful discussions, spiritual growth, and a stronger connection to the teachings of the Qur'an and Sunnah.

A special JazakAllahu Khayran goes to Brother Muhammad Khan, Moulana Ismail, and their dedicated team for their invaluable time, effort, and commitment in enlightening our community. Their knowledge, patience, and passion for Dawah left a lasting impact, insha'Allah.

May Allah (SWT) accept this effort as Sadaqah Jariyah, bless all involved, and continue to guide those seeking the truth. Ameen!
